RESOLUTIONS FROM 3RD CONGRESS OF INTERNATIONAL FEDERATION OF COALITIONS FOR CULTURAL DIVERSITY(IFCCD), 21.10.12 :

2 RESOLUTION FOR THE PROTECTION OF CULTURAL HERITAGE IN MALI

The Delegates of the 3rd Congress of the IFCCD, gathered in Bratislava (Slovakia) from 21 to 23 September 2012, recognising that diversity of cultural expression is the richness of peoples and that each person has the right to practice creative expression according to the Rights of Man, condemn utterly the destruction of heritage, tangible and intangible, in Mali and the threats to freedoms of the individual.

We urge the whole international community to support Mali and to come to its aid in this period of difficulty which it is undergoing.
